

2020 FHA LOAN LIMITS

increase to

—>>> **\$331,760** <<<—

Up from \$314,827 in 2019

The Federal Housing Administration (FHA) has just announced an increase of the FHA loan limits for 2020. In most parts of the country, the 2020 loan limit for one-unit properties will rise to **\$331,760** from \$314,827. This will provide more buying power to homebuyers across the nation. High-cost area loan limits are also increasing.
