Notes:

- Meeting the deadlines for key dates allows for the most secure position for funding by month-end. Files will be accepted past the Key Dates deadlines and will be considered for funding on a best efforts basis.
- It is recommended that LP Open Access and FHA Streamline transactions are funded 2 business days prior to the last day of the month to avoid loan amount adjustments if an additional payment is made on the existing lien. If funding these transactions on the last day of the month, the Funder is responsible for confirming that the payoff meet the Underwriters requirements and that title can pay off the existing lien same day.
