Definitions

Boarding

The action of loading loan data to either our interim Servicing system or to the permanent NJ Servicing Center’s system so the loan can be serviced.

Interim Servicing

After a loan closes and before we sell the loan and/or Servicing to investors, loanDepot self-performs the Servicing function known as “Interim Servicing”. Loans generally remain in Interim Servicing 30-90 days. Loans are held in Interim Servicing for a short period of time while our Capital Markets team sells the loans to an investor. During that 30-90 day period, Capital Markets also has time to decide whether they are going to negotiate the sale of the Servicing or if they are going to keep (Retain) the Servicing.

- If the Servicing is sold (Servicing Released) our customer’s Servicing is transferred to a new investor.
- If the Servicing is not sold (Servicing Retained) our customer’s Servicing is transferred to our permanent NJ Servicing Center.

Sold

The action of selling a loan and/or selling Servicing to an investor. loanDepot sells loans two different ways, Servicing Retained and Servicing Released.

Servicing Retained/Retained Servicing

At the time a loan is sold, loanDepot has the option of retaining ownership and responsibility for the Servicing of the loan or loanDepot can sell the Servicing to an investor. If loanDepot chooses to retain ownership of the Servicing, and service the customer, that loan sale is referred to as sold “Servicing Retained”. Customers whose loan is sold Servicing Retained will be sent a Servicing Transfer email and

letter at least 15 days prior to the transfer from our Interim Servicing Platform to our permanent NJ Servicing Center.

Servicing Released/Release of Servicing

If loanDepot chooses to sell the Servicing at the same time the loan is sold, either to the same investor that purchased the loan or to a separate investor, the loan sale is referred to as sold “Servicing Released”. Customers whose Servicing is sold (Servicing Released) will be sent a Good-Bye letter at least 15 days prior to the Servicing being transferred to the new Servicer.

Good-Bye Letter

A letter sent to customers at least 15 days prior to the date that the Servicing of their loan is transferred to a different servicer. This letter will include the new servicer’s contact information, a date of transfer, and generally, the customer’s new loan number. An email to the customer will precede this letter notifying them to watch for their official Good-Bye letter.

Servicing Transfer Letter

Similar to a Good-Bye letter, but used when ownership of the Servicing has not changed. These letters are utilized when we transfer loans from our Interim Servicing Platform to our permanent NJ Servicing Center and are sent at least 15 days prior to transfer. These letters include new payment address information, a date to begin utilizing the new payment address, a new loan number and new contact information for Servicing. An email to the customer will precede this letter notifying them to watch for their official Servicing Transfer letter.

Escrow

An easy way for the customer to manage property taxes and insurance premiums for their home. Part of the monthly payment the customer makes is set aside to pay their taxes and insurance. loanDepot will disburse those payments to the appropriate tax authority and/or insurance company when they become due.

Supplemental Taxes

In addition to annual taxes, a customer may be responsible for paying supplemental property taxes. State law requires the Assessor to re-appraise property upon a change in ownership or new construction. The supplemental assessment reflects the difference between the new assessed value and prior assessed value.

Applicable to ALL loanDepot Funded Loans

Loan Number Changes

Q1: Will the customer’s loan number change after closing?

A1: Yes, the customer’s loan number will change.

- The customer will be sent a monthly billing statement 5 days after the loan boards, which is generally approximately 20 days after loan closing. This statement will include the new Servicing loan number.

- When the customer's Servicing is sold or transferred, a Servicing Transfer/Good-Bye letter will be sent that identifies the new servicer, loan number, payment address and contact information.
- **It is very important for the customer to include the new Servicing loan number on all correspondence and payments.**

- If the customer is being serviced by our Interim Servicing group or the NJ Servicing Center, payoff request fax numbers are listed in the contact information above.
- If third parties fax in the request for the customer, a customer’s Authorization needs to accompany the payoff request.
- If the customer is being serviced by a 3rd party, they should contact their servicer to get instructions on getting a payoff demand.

Loan Recast

Q34: Can the customer’s loan be recast?

A34: It depends. The customer should **never** be told they will be eligible for a recast.

- GNMA never allows this on FHA/VA/USDA loans
- No recasts will be processed until the loan has been transferred to our NJ Servicing Center or a 3rd party Servicer.
- Conforming FNMA/FHLMC loans that we are Servicing or are sold in a FNMA or Freddie Mac security can be considered for a recast if the following criteria are present:
 - The principal reduction has to be \geq \$10,000, paid by certified funds/wire transfer
 - The loan must be current
 - The request from the customer must be in writing

- A fee of \$250 will be charged to the customer. If a 3rd party is Servicing the loan, this fee may vary.
- During the 60 days it takes to process the customer's request for a recast, the customer must continue making their regular payment so the loan will remain current
- After the recast is complete, the only segment of the customer's payment that will change is the principal and interest
- As documented in the recast agreement the customer will be required to sign, the term of the loan, the interest rate and the escrows will remain in place and will be the same as before the recast
- For Conforming and Fixed Jumbo Advantage pre-funding recast requests, send an email with the loan number and your request to recast@loandepot.com.

Q35: Can the customer's loan be recast more than once?

A34: Yes. The customer may request to recast their loan again. However, they must make two payments at the new recasted payment amount prior to making an additional recast request.
